

DaVinci Roofscapes

50 Colors • Unlimited Possibilities

DaVinci offers 50 distinct slate and shake colors that are mixed to create 31 standard color blends to complement any home or building. So, whether you're selecting a single color for your roof or a classic blend of colors, we've got you covered. And, there's no rule that says you have to choose one of our standard blends — create your own unique color blend by using our virtually limitless color palette. Just mix and match any of our 50 colors to create your own customized color blend. At DaVinci, your roofing color choices are limited only by your imagination!

**Want to see how
the color combinations
come together?**

Our online Color Designer tool lets you mix and match color combinations in our slate and shake profiles.
